MODERN
Dental Pacific

A rewards program designed for your practice

For dentists who want the freedom to choose their scanner and be rewarded for it.

Complete your digital journey

If you are working towards becoming a fully digital practice, we can help. Whether you already have a scanner in your practice or you're thinking of purchasing one, we can support your choice as your preferred laboratory.

With our **Digital Rebate Program**, you're only three steps away from receiving rewards when your digital scans are submitted. It's easy to enrol and start earning towards a monthly rebate credited to your account.

1. Sign up online, either at **scdlab.co.nz/digital-rebate** or **precisiondental.co.nz/digital**
2. Send a minimum of five digital cases per month to be eligible for a rebate*.
3. Turn your rewards into credit against future scans.

***Digital Rebate Program Terms & Conditions**
A digital rebate is based on your monthly lab spend. Spend excludes Invisalign™ cases or education courses. Applies to both AUD and NZD and is identical across both countries. Applies to any Precision or SCD customer that links their scanner to the Digital Rebate Program. A minimum of five digital cases must be invoiced within the month to meet the rebate requirements. The maximum rebate is $1,000. Rebates will only be applied if existing and new Precision and/or SCD accounts are paid up to date. Rebates cannot be used in conjunction with corporate group discounts or reward programs. Rebates will be received from the consecutive month of achieving the required spend. This credit will appear as an invoiced item against your monthly statement. The rebate amount cannot be exchanged for cash; it is not transferable or refundable. 3-year term with potential for an additional year.
